Optical Mission
July 3-4, 2026
St. Pius X
Kingston, Jamaica

Dr. Jeffrey Zimm conducted and optical mission to St. Pius X in Kingston, Jamaica. Dr. Brit Fisher and four technicians accompanied him. Over the two days they examined 212 patients and diagnosed cataracts, glaucoma, and other eye diseases. They were also able to provide prescriptions for glasses for 112 people. These glasses will be made in the United States and shipped back to Jamaica for the patients.

Dr. Jeffrey Zimm has a cataract surgery mission scheduled for Dec. 11-12, 2026, in Kingston, Jamaica.
